Wedding Policies
of Second-Ponce de Leon
Baptist Church
(Revised February 2010)

This booklet has been compiled for brides and grooms who are considering having their wedding at Second-Ponce de Leon Baptist Church. We welcome your interest and look forward to working with you in preparing for this very special event.

The wedding ceremony is a worship service and we ask your respect and cooperation in maintaining an atmosphere that honors God in His house.

Please read this book carefully. The guidelines listed here must be followed. After you have reviewed our policies, we ask that you meet with the Wedding Coordinator and appropriate personnel to determine that you fully understand and can abide by our guidelines. Following this meeting, you are asked to sign the Wedding Policies contract at the back of the booklet and return it, along with the applicable deposit, to:

Wedding Coordinator
Second-Ponce de Leon Baptist Church

DATE, TIME AND PLACE

Once the date of the wedding (and reception) has been arranged with the Wedding Coordinator and the signed contracts and deposits have been received, the couple is asked to provide the Wedding Coordinator with the names of the florist, photographer, videographer and all other wedding participants as soon as possible. Couples are advised to delay ordering invitations until the date has been confirmed and the deposit and contracts have been received.

THE MINISTER

The Wedding Coordinator will provide non-church members with the names of staff ministers at Second-Ponce de Leon Baptist Church. Normally, a Second-Ponce de Leon minister will perform ceremonies held at our church. Any exception must be approved by one of our ministers. All ministers must dress appropriately in robe, tuxedo or dark suit. Premarital counseling is strongly advised for all engaged couples. Couples should talk with their officiating minister with regard to counseling, or contact the Associate Pastor of Pastoral Care at Second-Ponce de Leon at 404.266.8111.

MUSIC

The wedding ceremony is an act of worship, and music is a vital part of the service. The church requires all music, as well as all aspects of the wedding (and reception, if held at Second-Ponce de Leon), be within the bounds of Christian decorum. No pre-recorded music is allowed. Our Organist will be glad to work with the bridal couple in making instrumental selections. All musical selections and musicians for the wedding (and reception) must be approved by the Organist or Minister of Music. Their telephone numbers will be provided by the Wedding Coordinator.

It is preferred that the Second-Ponce de Leon Church Organist play for all weddings; however, if a couple wishes to employ a guest organist, they must first contact the Second-Ponce de Leon Church Organist for approval. All of the financial arrangements with the guest organist and any soloists are the responsibility of the couple.

DECORATIONS

All decorations for weddings (and receptions) should be in good taste. Florists are required to sign the Guidelines Agreement for Florists at least two weeks before they are permitted to work in the church. It is the responsibility of the wedding couple to have this information on file with the Wedding Coordinator before the florist can work at Second-Ponce de Leon.

Please note the following prohibited activities:

- ◆ No signs can be posted, affixed or distributed on church property without the expressed permission/approval of the Church Administrator.
- ◆ No decorations of any kind may be taped, tacked, nailed or clamped to the pews, walls or woodwork, and care should be taken to protect all church property. Any decoration attached to the pews must be tied.

- ◆ The florist is responsible for removing all decorations immediately following the ceremony (and reception).

Second-Ponce de Leon has available for use: a unity candle stand, a kneeling bench and two white columns for floral arrangements (approximately 4' tall). There is no charge for use of these items. Please notify the Wedding Coordinator if any of these are requested.

PHOTOGRAPHY

We recognize that photography has become an integral part of the wedding ceremony. The photographer and wedding guests are asked to honor the reverence of the ceremony and this place of worship. The bridal couple needs to emphasize to their family and friends that photography of any kind is not allowed during the ceremony except by the photographer employed by the wedding party. We ask that this request be printed in your wedding program.

The photographer will be required to adhere to the restrictions below and to deposit a Refundable Restriction Adherence Fee with the church. It is the responsibility of the wedding couple to have this information on file with the Wedding Coordinator before the photographer can work at Second-Ponce de Leon.

Please note the following prohibited activities:

- ◆ No flash pictures are to be made from any angle after the ceremony begins. Pictures taken of the bride and attendants must be taken from the foyer (not from inside the Sanctuary or Chapel), before they begin their procession down the aisle.
- ◆ In the Sanctuary, photographers are allowed in:
 - 1) the front row of the side balconies;

- ◆ For Chapel weddings, photographs may not be taken from the center aisle during the ceremony. Pictures may be taken from the outside aisles, no closer than the eighth row from the front of the Chapel.
- ◆ There can be no movement of personnel during the service, until the pronouncement at the end of the ceremony, when they may quietly leave the Sanctuary or Chapel to obtain recessional pictures.
- ◆ No remote cameras are allowed in the church at any location.
- ◆ No special lighting may be brought into the church.

- ◆ Photographers are not allowed in the altar area, which includes the piano and organ areas, at any time during the ceremony.

- ◆ Prior to the wedding ceremony, any questions pertaining to church policy must be directed to the Wedding Coordinator. At the rehearsal and wedding ceremony, questions must be directed to the SPdL Wedding Director(s) present for these events.

If these restrictions are not adhered to by the photographer and the wedding party, the full Restriction Adherence Fee will be retained by the church.

THE VIDEOGRAPHER

Videotaping of the wedding ceremony is permitted. The Wedding Coordinator will provide the telephone number of the church videographer. If an outside videographer is used, he/she must be advised that taping equipment is only allowed in locations indicated by the Wedding Director. Cameras must be stationary and cannot be moved during the ceremony. There can be no distracting noise, movement or lights.

Please advise the Wedding Coordinator of plans to videotape the ceremony at least two weeks before the wedding. Fees will be paid directly to the videographer by the bridal couple.

Video professionals should be advised to use caution in placing extension cords, stands and other equipment in the Sanctuary or Chapel.

Videographers are not allowed in the altar area, which includes the piano and organ areas, at any time during the ceremony. Prior to the wedding ceremony, any questions pertaining to church policy must be directed to the Wedding Coordinator. At the rehearsal and wedding ceremony, questions must be directed to the SPdL Wedding Director(s) present for these events.

A diagram showing approved locations for videographers and their equipment will be provided.

BUILDING ACCESSIBILITY

The building will be open two hours before the wedding to allow time for dressing, photography, floral and food preparations. Should the couple request that the building be open for a longer period of time, they will incur an additional usage fee.

In the event that multiple weddings and/or church events are scheduled on the same day, a minimum of two hours must be allowed following each wedding or event for cleanup. After that two-hour period, the next scheduled wedding party participants may begin their two-hour preparation period.

The length of time for both the wedding and reception must be agreed upon in advance with the Wedding Coordinator.

THE WEDDING COORDINATOR AND DIRECTOR

The church provides the services of the Wedding Coordinator to assist with scheduling. The Wedding Coordinator will assign a Wedding Director for each wedding. This director will work with the couple throughout the planning stages, providing information and assistance as needed. In the event that an outside Wedding Director has been employed by the couple, this director can assist the Second-Ponce de Leon Wedding Director at the time of the rehearsal and wedding, but must defer to the Second-Ponce Director to assure that the policies and guidelines of the church are followed.

WEDDING RECEPTIONS

The Fellowship Hall is available for wedding receptions only if the wedding has been held at Second-Ponce de Leon. A Second-Ponce de Leon Wedding Director is required to be on-site for any receptions held in the Fellowship Hall, and an additional \$75 fee will be charged for her services at the reception.

The church food service provider is available to cater receptions. If the wedding party prefers another caterer, the presence of a church representative will be required, and an additional fee will be incurred for his or her services (\$25 per hour; 5-hour minimum) The caterer must provide proof of liability insurance to the Wedding Coordinator at least two weeks before the reception. This documentation must include an insurance agent's name, company, policy number and contact telephone number. The caterer will also be required to provide all personnel to set up, serve and clean after the reception. Any use of the church refrigerator, stove and ovens must be approved by the church's food service provider.

SECURITY

Security for the parking lot is provided until 5 p.m. on Saturdays. It is strongly suggested that security be provided after this time. For a very large wedding, a traffic director is also needed. Security and traffic arrangements must be arranged through the Wedding Coordinator and paid to the church at least two weeks before the wedding (traffic director – \$40 per hour, 4-hour minimum; security officer – \$35 per hour, 4-hour minimum).

The church is not responsible for valuables left in the dressing rooms, other areas of the church or the parking lot. Please advise all participants to protect their valuables.

- ◆ Absolutely no alcohol and no smoking is allowed on church property. If the wedding party does not comply, a warning will be issued to them. If this rule is not then complied with, appropriate action will be taken, which may include asking participants to leave the premises or, if necessary, calling the police.
